

告 NIO EDS 合作伙伴书

亲爱的合作伙伴，

感谢贵公司对 NIO EDS 团队的支持，NIO 作为 AIAG 中国质量指导委员会成员，始终践行更高质量标准，愿同各位一道推动中国新能源汽车行业更高质量发展。科技为先，质量为本。质量是信仰！希望各合作伙伴严格遵循汽车行业标准，确保满足 IATF16949 标准和 NIO EDS 的要求。

- 1、任何未经授权的变更，都是违反 PPAP 手册和 IATF16949 要求的行为，各位合作伙伴应该自觉的杜绝这一行为；如违反，一经查实，合作伙伴将面临吊销 IATF16949 证书的风险，和新业务暂停(NBH)的处理。并由 AIAG 中国指定的第三方到合作伙伴现场展开调查、辅导，重新安排审核，待审核通过，问题关闭后，合作伙伴才能展开业务。
- 2、合作伙伴必须诚实守信，不得提供与产品实物不相符的数据或信息：提供虚假的检验报告\实验报告。一经查实，或将面临吊销 IATF16949 证书的风险，和新业务暂停的处理。
- 3、试装生产未通过、变更申请未通过、偏差申请未通过、或不符合产品未得到 NIO 的批准前，禁止发货。如查实，合作伙伴未经批准的擅自发货，将面临新业务暂停的处理（NBH）。

感谢贵公司所有团队成员的支持！让我们为了打造高品质的电驱产品而努力，一起致力于为用户创造愉悦的生活方式！

Letter to NIO EDS Partners

Dear Partners,

Thank you for your company's support to NIO EDS team. As a member of the AIAG China Quality Steering Committee, NIO has always practiced higher quality standards and is willing to work with you to promote the higher quality development of China new energy auto industry. Technology First, Quality Oriented. Quality is belief. Expect partners to follow auto industry standards, ensure to meet the IATF16949 criteria and NIO EDS requirements.

1. Any unauthorized change is the violation of the PPAP manual and IATF16949 requirements, all partners should consciously eliminate this behavior; the partner will face the risk of cancel the IATF16949 certificate and New Business Hold in case of violation. In additional, the third party designated by AIAG China will conduct on-site investigation & improvement, and reschedule the audit. The partner can restart its business only after past the audit and closed the open issues.
2. Partners must be honesty, not provide inconsistent data or information of the product: false inspection report, fake test report. Once verified, the partner may bear the risk of revocation of IATF16949 certificate, and NBH.
3. Shipments are prohibited before PTR , change application, deviation application get approved, or non-conformed products are approved by NIO. If the partner delivery without approval will face new business hold (NBH).

Thank you for the support from all your team members! Let us work together to create high quality EDS and joyful lifestyle for users!
